2. Project Activities for this Reporting Period:

1. In a few sentences, please describe the scope of your project: Classes are on going each day. The Contren Learning Series is being used for class room instruction. Students completed the testing.
2. There are four students enrolled in the class. They have created small project items such as coat racks, shelves and bird house. A complete shed was built and it is complete. Pictures Included.
3. All of the students will start you employability skills training in April and finish this Objective by May 15th. Done
4. All of the student will attended the Career Exploration Fair on May 7th. All of the students did attend the Career Fair and the school news paper did explain the event in full.

3. Scheduled Project Activities/Important Dates for next quarter:

Describe your planned activities and training for next few months. Please include important dates like graduation, site visits, travel, job fairs, etc. **The class will finish up this quarter. Graduation will be held on May 22nd but classes did continue until June 30, 2009.**

4. a. How many are in your training program during this reporting period? **Four**
Six students did start out, but dropped the class during the second week.

b. How many people have **been trained** and/or certified to date from this grant?

Four

(Please complete form below.)

5. Please list complete the list by putting the community to which each individual trained is from, the type of training and certification, the graduation date and who will employ them upon completion of training.

Community where trainee lives	Type of Training/ Service	Type of Certification to be earned/earned	Dates of training	Graduation Date	Employment commitment after training is complete
Four - St. Paul	Carpentry	Credit & Certificate	02/01/09 06/30/09	05/20/09	NA

Please copy and use another sheet if you need more spaces.

Final Quarter Ended 06/30/09

9-308

End: 6/30/2009

[illegible]

6. Please identify any problems or changes in your training project that will affect the budget, scope or timeline of the project. Is your training on schedule? What are the reasons for any difficulties or delays? Are you over budget/under budget? Have you had to change the initial scope? **All went very well. None of the students received an NCRR Certificate because it will take another semester to finish the training necessary to receive the certificate. This is why, in the beginning I asked for a longer grant period.**

Please provide an explanation to this change and your resolution to the variance.

7. How are you or will you be evaluating the individuals being trained to ensure competency, skill level and understanding? (Testing, assessment, etc) **Testing was done from the instruction books. Other assessment is done by the class instructor.**

8. Please identify areas that we can assist you in the future. Assist us with another Grant for 2009-10 to continue on with training in additional skills. this will make the existing students eligible for the NCRR Certificate.
